

IACI CASE FILES

A National Fellows Case Forum

An Academic Initiative of the Indian Association of Cardiac Imaging (IACI)

ABOUT THE PROGRAM

IACI Case Files is a national, fellow-centric academic platform designed to promote structured, case-based learning in Cardiac MRI (CMR) and Cardiac CT Angiography (CCTA) under the mentorship of IACI faculty.

Fellows and early-career radiologists from across India are invited to present high-quality, teaching-oriented cardiac imaging cases in a concise and standardized format.

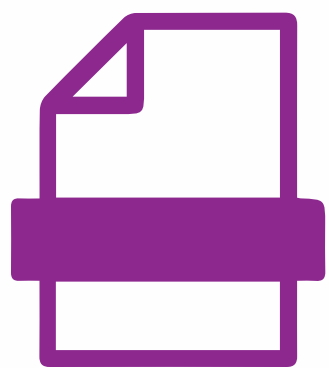

Second Session : 29th July 2026

07:30 pm to 08:30 pm

Competitive Case Presentations

FORMAT

- 7 minutes – Structured case presentation
